Dear Mrs Manley

yours of 7-28-45 received with  
much interest. Thanks a million  
for your consideration. Please excuse  
my delay in not responding promptly.  
However I was trying to con-  
tact a young right handed pitcher  
that will be of much service to  
you next year. I can send him  
over anytime <sup>you</sup> say, that you can  
look him over for the future. He is  
green, but willing, and has a good  
right arm. Wilkes can tell you

something about him. His name is  
James Jackson

Please send schedule you spoke  
of. The pitcher or pitchers Morton  
spoke of probably were Harriss and  
Fernandez, both are with the Stars.

I shall continue on the lookout  
for young material for your club.

I have an infielder 18 yrs old. You  
can use him at SS, 3B, or 2B. The  
Traps asked me to have him report.  
his name is Wm Felder. I judged his  
batting around 250. Let me hear from  
you soon.

Very Respectfully Yours  
Oscar Charleston
